

Thank you for your interest in partnering with DentaQuest and HFS to increase dental access to children in your school district.

Below find the approved All Kids logo to Find-a-Dentist which you may insert on your webpage. Attach a hyperlink to the logo to create an easy way for All Kids program members to locate a Dental Home within their community.

Attach a hyperlink to direct parents/guardians to our Find-a-Dentist webpage by using the following link:

<https://govservices.dentaquest.com/Router.jsp?component=Main&source=Logon&action=ProviderDirectory2&state=IL&locale=en>

If you have any questions regarding copying/pasting the logo or inserting the hyperlink, please feel free to contact me at 217.522.8906 or at krista.smothers@dentaquest.com

Sincerely,
Krista Smothers
