

# Mrs. Hart's Newsletter

Dec. 3<sup>rd</sup> - 13<sup>th</sup>, 2018

## Important Dates

**12/20-** Winter Class Party

**12/21-**No PM Pre-K

**1/3** -Students return from winter break

Be watching for a note on the Winter Party volunteers. All parents all welcome to come and enjoy the festivities.

## Classroom News

Dear Parents,

Well, it looks like winter is nipping at our toes! The students are really excited about all the snow we have already received. We even had a nice enough day that we were able to take the kids out to play in the snow and build a snowman.

We finished up our fall and Thanksgiving unit. The students had a great time exploring all the nature items we collected on our walk. We have been observing the trees and talking about how bare they are. A sign that winter is right around the corner.

Last week was a busy and exciting week. We went to the grocery store to kick off our housekeeping theme. The students really enjoyed the trip. We had a hedgehog come visit our class to get a look at a real animal that hibernates. The students got to visit the junior high science class to see their baby chicks they had hatched. We were also lucky enough to have two baby puppies visit our classroom.

## Birthdays

Dodge Snyder 12/4/14  
Gunner Evoy 16/6/14  
Jaiden Embree 12/9/13  
Mrs. Hart 12/17  
Abby Watson 12/30/14

Sit down with your child and cut out coupons. Have your child identify number or letters on them. Sort the coupons by: fruit, vegetable, meat, bread, dairy or junk food. Have them count how many coupon you have. There are lots of fun ways to use them!

## Winter Animals

Winter is cold

There is snow in the sky

The squirrel gathers nuts

And the wild geese fly

The fluffy red fox

Has his fur to keep warm

The bear's in her cave

Sleeping all through the  
storm

The school is collecting box tops, soda tabs, Prairie Farm's milk caps, Coca-Cola bar codes and Campbell's soup labels. The money from these items is used to help purchase things needed for the school.

The school is also collecting lids and caps to be recycled into park benches for the Girard City Park.

## What We're Learning

Theme: Grocery Store/ Hibernation

Letter: G

Shape: square & rectangle

Color: brown & yellow

Number: 6

A great way to reinforce our grocery store theme is to sit down with your child and make a grocery shopping list. Take your child to the store with you and have them be in charge of marking the items off the list as they are added to the cart. Point out all the colors and shapes that you see at the store.

**It is getting cold outside, and we will continue to go out for recess. Please make sure you child has a warm coat, hat and gloves to wear.**

**I still need a change of winter clothes for many of the students.**
