Classroom News

Dear Parents,

This week we have continued reading books about being kind and how we are wonderful individuals that make our world a wonderful and interesting place to be.

We have continued to review the shapes circle and square. The students' have been finding the shapes around the room and on our clothing. Talk to your kids as you get them ready for school. Point out the shapes, letters and colors you see on their clothing. This a quick and easy way to reinforce things we are talking about in class.

Birthdays

- 9/26- Trenton Stanton
- 10/3- Lainey Cherry
- 10/7- Knox Richardson
- 10/26- Dalton Adams

I hope everyone has a great weekend!

Thank you to Aisley Outland's dad for catching us a spider to observe! It even came with a giant egg sac. The kids are enjoying watching it.

Itsy Bitsy Spider

The itsy bitsy spider

Went up the water spout.

Down came the water and
washed the spider out.

Out came the sun,

And dried up all the rain.

And the itsy bitsy spider

Went up the spout again.

The school is collecting box tops, Prairie Farm's milk caps, Coca-Cola bar codes and Campbell's soup labels. The money from these items is used to help purchase things needed for the school.

The school is also collecting lids and caps to be recycled into park benches for the Girard City Park.

What We're Learning

Theme: Spiders/Fire Safety

Letter: S & F

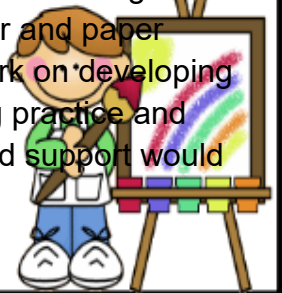

Color: Orange & Black

Shape: Oval & Rectangle

Number: 3 & 4

Please review these skills with your child each week. This will help reinforce what we are learning in class. We are also working on being able to identify our name in print.

I sent home a fine motor information packet. Please take the time to read it. There are lots of gear ideas on help to help your child develop this muscle control. I have quite a few friends who are having trouble holding their pencil, cutting, using the soap dispenser and paper towel dispenser. We will continue to work on developing this skill by doing journals, name writing practice and cutting on every Thursday. Your help and support would be greatly appreciated.

Other Information

- I still need proof of income information for several of my returning pre-k students.
- You have until October 15th to get me your child's physical, shot record and birth certificate.
- 10/2 – Conference forms are due back. If I do not receive a time that works for you, I will schedule you a time. Thanks to all the families who have already signed up.
- Grandparent's Day notes come home Mon. Please get them returned ASAP.
- I need field trip forms returned. The cost to attend is \$2.00. I will need a volunteer form filled out for those attending.
