Pre-K Class

9/25- Field Trip to Brooms
Apple Orchard-be watching
for more info.

9/28- Homecoming Parade

10/2- Fall pictures

Classroom News

Dear Parents,

We have had a busy first few weeks of school. We are really starting to get the classroom rules figured out and are working hard on being a school family. Ask your child about red and green choices in our classroom.

The class has read many books about being kind and how each one of us is special and brings a unique quality to our classroom.

The students have been observing our caterpillars and are anxiously waiting for them to emerge from their chrysalis so that we can have a butterfly release party and send them to Mexico for the winter.

Grandparents day is such an exciting day. The kids are excited to show them our room and perform their songs for them. We have made a gift for our grandparents. We are sending home an extra one to give to grandparents that were unable to come.

I hope everyone has a great weekend!

Birthdays

8/22- Hannah Barham

9/9- Ava Murphy

10/3 Amon Mouser

Thanks to all the parents who donated supplies for our classroom. We greatly appreciate it.

Apples

Way up high in the apple tree,

Five little apples smiled at me.

I shook that tree as hard as
I could,

And down came five apples.

Mmmm, were they good!

The school is collecting box tops, soda tabs, Prairie Farm's milk caps, Coca-Cola bar codes and Campbell's soup labels. The money from these items is used to help purchase things needed for the school.

The school is also collecting lids and caps to be recycled into park benches for the Girard City Park.

What We're Learning

Theme: All About Me/ Butterflies/Apples

Letter: Review A, M & C

Color: Yellow

Shape: Oval

Number: 1

Please review these skills with your child each week. This will help reinforce what we are learning in class. We will also start working on learning to write our names. This is a skill that you can work on at home with your child. We have also introduced AB patterning. Most of the kiddos are getting it. A great way to review this is by pointing out patterns in their clothes or making patterns with their snacks.

Other Information

- I still need proof of income information for many of my returning pre-k students.
- Most everyone has brought in extra clothes for their child. We will be opening the water table next week. If your child gets wet and does not have a change of clothes you will be called to come, get them. We have also had several milk and potty accidents. We are at a big kid school and do not have a nurse that has extra clothes to fit your child.
