Classroom News

Dear Parents,

This week we will be reviewing some skills that students are still working on grasping. We will be reading some fun stories and doing activities that will help them with the skills we are reviewing. We will be focusing on identifying numbers 1-10, counting to 20 and letter recognition.

Next week be on the lookout for that pesky little Leprechaun. I have one that likes to come and visit me every year. He is a tricky little guy that likes to leave messes. We will be watching for him and be going on a Leprechaun hunt on Thursday. Make sure your child wears green that day.

March 15th we will be going to Sportabouts to visit, make sure your child wears clothes that do not have buckles or zippers and no bows. If they do not come dress properly we will be calling for a change of clothes. Also please put them in slip on shoes that day. No tie shoes.

Five Green Shamrocks

One green shamrock, in the morning dew, another one sprouted, then there were two.

Two green shamrocks growing beneath the tree; another one sprouted, and then there were three.

Three green shamrocks, by the cottage door; another one sprouted, and then there were four.

Four green shamrocks, near a beehive another one sprouted, and then there were five.

Five little shamrocks, bright and emerald green, think of all the luck these shamrocks will bring.

The school is collecting box tops, soda tabs, Prairie Farm's milk caps, Coca-Cola bar codes and Campbell's soup labels. The money from these items is used to help purchase things needed for the school.

The school is also collecting lids and caps to be recycled into park benches for the Girard City Park.

What We're Learning

Theme: St. Patrick's Day and review of skills

Letter: K & I

Shape: 3D Shapes

Color: review

Number: review

Thank you to all the families who donated Lysol wipes to the classroom. Let's hope they help keep the germs at bay.

3/11- Is a fun family night in Virden 6:00-7:15. The Fire, Wind, and Ice Night is sure to be one not to miss! Make sure you get the form attached to this newsletter returned, so you don't miss out on the fun.

It is cold outside, and we will continue to go out for recess. Please make sure your child has a warm coat, hat and gloves to wear.

Last day of Pre-K is May 8th- We will be scheduling home visits or conferences with the students going to kindergarten.
