Classroom News

Dear Parents,

I can't believe we all survived the first week of pre-k. We made it with very little tears. It is an adjustment for some of your little ones but give them another week and they will get the hang of it.

We are slowly introducing the centers and teaching your kiddos how to use the materials. The students are working on getting to know each other. Ms. Anna and I are focusing on teaching students how to get along and reminding them of rules that keep them safe while at school.

The next two weeks we will be talking about what makes a special. I also have Monarch caterpillars we will be observing and learning about.

I brought in our new class pet Madagascar Hissing Cockroaches. So, when your child says we have new pets. Many of the students touched them and seemed to enjoy them. We will work on naming them this week.

All of Me

My hands are for clapping.

My arms can hug you tight.

My fingers can snap

Or turn out the light.

My legs are for jumping.

My eyes help me see.

This is my body.

And I love all of me!

The school is collecting box tops, soda tabs, Prairie Farm's milk caps, Coca-Cola bar codes and Campbell's soup labels. The money from these items is used to help purchase things needed for the school.

The school is also collecting lids and caps to be recycled into park benches for the Girard City Park.
