A Peek At What We Are Learning

Reading/ Spelling
(Webster)

Reading: We will be using the LEAD 21 reading books again for awhile. Unit 3 is the study of "Early America."

This week's skills are: Ask/Answer questions; Compare/Contrast; Connotation/Denotation; and Prefixes

AR: The deadline for the 3rd Quarter AR is March 7th. The AR party will be March 8th. Ask your child how many points they need. The points vary this quarter.

Spelling: The words this week are homophones, so students not only need to practice the spelling of each word, but also know the meaning of each word. Ex. steal....steel

Math
(Webster)

This week we will be reviewing multiplication and division with decimals- Unit 6.

S.S.
(Klaus)

The 5th graders will be working on a major project, "The Hall of Presidents." Be sure to look for notes that come home about this project.
