

# Mrs. Fatheree's Newsletter August 20, 2017

## Math:

We have a new math curriculum. Chapter 1 will focus on applying addition and subtraction concepts.

## Sight Words:

Sight words for each week will be on the back of the newsletter. Many second graders already know these. If your child doesn't please make flashcards and practice the words until mastery is met.

## Welcome Back to School!

We really had a great first week of school! Students learned and practiced second grade rules and routines and will continue to do that this week to help promote a positive learning environment.

## Reading:

In Unit 1, students will be learning about roles they play at home, at school, and in their community, as well as the roles they may have in the future.

**Target Skill:** Determine Author's Purpose

**Phonics focus:** words that have the long a sound and consonant blends

## Spelling:

Your child will take a spelling pre-test on Monday. If he/she passes with 100% accuracy he/she will be given a challenge list to study for the week. The regular and/or challenge spelling test will be on Friday, August 24<sup>th</sup>.

### Spelling Words:

sad	jam	fix	got	kick
plus	bend	stop	with	him

\*\*\* Thank you for checking your child's agenda. It is an important communication and organizational tool.

Have a great week! If you have any questions or concerns, don't hesitate to contact me. I am looking forward to an amazing school year!
