Classroom News

What a fantastic Red Ribbon Week! We had a great time with dress up days and had a lot of good discussions on making healthy choices in our lives. Thanks to the room parents for the awesome Red Ribbon party. The kids had a bLaSt! This week we will begin the LEAD 21 reading series. It is a very exciting time for kindergartners. Learning to read is exciting and something that they will want to share with EVERYONE! Please take the time to listen to your child read all the books that come home. Keep them in a safe place and read them often because the best way to become a better reader is to READ, READ, READ

Look for the NOVEMBER homework calendar!
Complete and return on November 30th for a trip to the TREASURE CHEST!

Miss Becky is working with us on breathing techniques. Ask your child what breathing does
Hint: It gives the brain time to think!

Teaching Tip: Dr. Jean has some fabulous videos on letters and letter sounds on youtube! Check them out – it is a great way to practice letters and sounds at home! Just search “Dr. Jean songs”

Picture of the WEEK

Kaiden and Drake are hard at work reading books because they know the only way to become a better reader is to READ!

What We're Learning

Reading – We will begin the Lead 21 Reading Series this week. The theme is ALL ABOUT ME. In this unit students will learn to tell and show others what makes them who they are. The following are Theme One sight words: the a an here is I see

Math – We will continue to work on recognizing and writing numbers 0-20. The teen numbers can be difficult. The following is a link to a song we sing in our classroom to help us with the teen numbers

Phonics/Phonemic Awareness – We will be focusing using our letter knowledge to start blending sounds into words!

KIDS SAY THE DARNDDEST THINGS!

8:20 am

Student: What time is recess?

Me: We just got to school!

Student: I know I was just thinking I need to play.

Me: Can you wait?

Student: If it's not too long of a time.

Me: It will be in about an hour.

Student: Is that longer than 25?

Me: Yes it is.

Student: It's going to be a long day!
