Quote of the Day

Only people can have big dreams and goals they want to reach- even when they know it will be very hard. They do it because, if they succeed, it will be wonderful and great for all people in the world.

The Pledge of Allegiance

I pledge allegiance to the flag, of the United States of America. And to the republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

The Panther Pact

My goal today is to be safe, respectful, and responsible. I will make sure I am safe and my friends are safe. I will show respect to my teachers, classmates, parents, and anyone I meet. I will be responsible and work hard to learn as much as I can. If I make a mistake, I will accept the consequences without anger and try harder the next time to become a leader for my school, my community, and my country.

- ✓ Remember, it takes everyone, every day! Have a great day!
