Quote of the Day

Though each flake is very different
There is one point you should know:
As the snowflakes reach the Earth below
They become one in a great blanket of snow.

The Pledge of Allegiance

I pledge allegiance to the flag, of the United States of America. And to the republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

The Panther Pact

My goal today is to be safe, respectful, and responsible. I will make sure I am safe and my friends are safe. I will show respect to my teachers, classmates, parents, and anyone I meet. I will be responsible and work hard to learn as much as I can. If I make a mistake, I will accept the consequences without anger and try harder the next time to become a leader for my school, my community, and my country.

- ✓ Remember, it takes everyone, every day! Have a great day!
