### Quote of the Day

Education is very important. It prepares you. You help yourself to help others. It gives you the tools to compete.

### The Pledge of Allegiance

I pledge allegiance to the flag, of the United States of America. And to the republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

### The Panther Pact

My goal today is to be safe, respectful, and responsible. I will make sure I am safe and my friends are safe. I will show respect to my teachers, classmates, parents, and anyone I meet. I will be responsible and work hard to learn as much as I can. If I make a mistake, I will accept the consequences without anger and try harder the next time to become a leader for my school, my community, and my country.

- ✓ Remember, it takes everyone, every day! Have a great day!
