### Quote of the Day

My brother and I still remember the thrill of our first sea adventure. That first time out by ourselves, a storm blew up. It was sudden and we were knocked around a little. We were scared, but we brought the boat home. The family was on the dock and everyone looked worried. But Grandfather said he knew we could do it. That gave me confidence that's lasted all my life.

### The Pledge of Allegiance

I pledge allegiance to the flag, of the United States of America. And to the republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

### The Panther Pact

My goal today is to be safe, respectful, and responsible. I will make sure I am safe and my friends are safe. I will show respect to my teachers, classmates, parents, and anyone I meet. I will be responsible and work hard to learn as much as I can. If I make a mistake, I will accept the consequences without anger and try harder the next time to become a leader for my school, my community, and my country.

✓ Remember, it takes everyone, every day! Have a great day!
