

BABY CHICKS ARE COMING SOON!

6th Grade Newsletter

2nd Quarter 2018

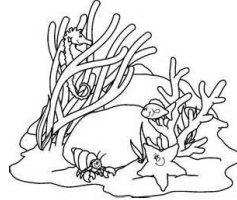

IN THIS ISSUE: NEWS & KEY DATES

SCIENCE: The students at North Mac Middle School are learning about embryo development. As a culminating activity, they are incubating chicken eggs! Students will watch videos, take notes on Mrs. Sonneborn's instruction, and create diagrams based on the development of the eggs. In addition, students will create a prediction chart and "candle" the eggs to look for development. This unit is always a hit!!!!

SOCIAL STUDIES: Students are learning about the customs & cultures in Latin America! We will be "traveling" to the Caribbean,

Mexico, and South America in

this unit.

MATH: In math, 6th graders are working on multi-digit problems. Please review basic addition, subtraction, multiplication, division AND telling time at

home.

LANGUAGE & READING: The 6th graders are reading the novel, *The Lightning Thief*.

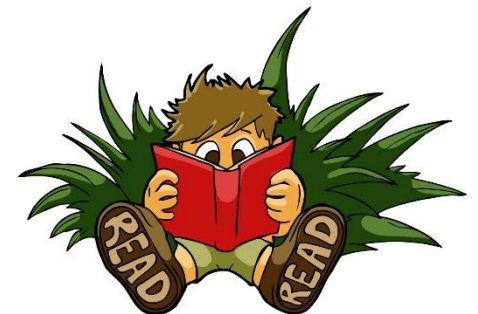

2nd Quarter AR Requirements:

Students are required to read a fiction & non-fiction book.

Book 1 & AR Test = due
November 16th

AR project = due December 10th

Book 2 AR test = due December
21st

Upcoming Dates:
