Classroom News.....

Our first week in Kindergarten was a great success! The boys and girls have done a great job of adjusting to our daily routine. We will continue to review classroom rules and procedures as well as school rules and procedures (voice level, hallway walking, bathroom procedures, and lunch procedures.). Information about our classroom behavior management plan and our morning procedures were sent home last week. Please review these with your child and help him or her learn our Panther Pack. Thank you for all the supplies and items that were sent in from the wish list! I am very thankful!

Thanks! Ms. Clark
