North Mac CUSD #34
Today Thursday, January 23rd, 2020

News:

- Attendance Adds Up – Students who attend school regularly tend to have better attitudes toward school—and they're more likely to read at grade level. Try to schedule your child's doctor and dentist appointments outside of school hours. Also, be sure to create a backup plan for getting them to school if they miss the bus or you can't drive them. (Home & School Connection, September 2018)
