News:

- **Setting Expectations:** Andrew always wears his sneakers to PE and class and returns his books on library day. Robert sometimes forgets his sneakers and misses out on PE, or he leaves his library books at home and can't check out new ones. What is the difference? Expectations – BE REASONABLE. Set expectations that your youngster can live up to. If he plays soccer, for instance, you might not expect him to score goals, but you could expect him to attend every practice, show good sportsmanship, and try his best.
