News:

- Great Holiday Reading:
 - Looking for a great gift idea for your children that will be fun and keep them reading during the Holiday breaks? We have the perfect idea! The author Byron Von Rosenberg will be visiting the Elementary school today, and he will be signing books during that time. He will have books for sale which range from \$10-\$13, including the wildly popular "I Don't Want to Kiss a Llama." If you are interested in purchasing a gift for your child, without them knowing about it, please contact the office at the number above to make arrangements. We will be happy to help you play Santa!!
- Gift Ideas for Kids – Fun and Stimulate Brain Power:
 - Give a gift that supports play. Children learn best through open ended toys.
 - During play, children are developing social skills, problem solving skills, language skills, communication skills, cognitive ability, fine motor skills, gross motor skills, self-regulation, creativity, and so much more.
 - Suggested Ideas: Age appropriate building blocks/materials; Art supplies and craft kits; puzzles; games that use memory/board games; science kits and STEM such as rock kits and microscopes; Imagination play props; books; sensory items like Playdoh; Gross motor items like tri/bicycles, hula hoops, playground equipment.
