

## North Mac CUSD #34

### Elementary School Information

217/965-5424

Today is Friday, February 14th, 2020

### News:

- HAPPY VALENTINE'S DAY!!
- Exciting News from the Library –
  - We are upgrading! Next week, the Elementary Library System will be getting a makeover. Because of this, the students will not be checking out books to bring home. They will get to use the brand new system starting Monday, February 24<sup>th</sup>. This would be a fantastic time to have your child read to you from their favorite book at home. Grab some items, and have them act out their favorite fairy tale. Have everyone get involved. There might be some great photo opportunities!
- Brush and Floss! February is Dental Health Month –
  - Virden Dental will be giving their annual “Tooth Care” presentation to our Kindergarteners today. This is a great opportunity to ask your Kindergarteners about what they learned at the presentation, and encourage them to use the new skills. The timing is perfect since they will enjoy some Valentine treats today!
- 10 year celebration of the North Mac Foundation –
  - Once again, it is time to gather together to support the Annual North Mac Public Schools Foundation Dinner and Auction. It will be held at the Virden Knights of Columbus Hall beginning at 6pm. The public is invited to participate, and tickets are \$30 each. The Foundation is a wonderful organization which awards financial grants to the teachers of the district to purchase items/technology/curriculum which directly impacts the students. These grants allow the district to have cutting edge resources for the students that assist in all aspects of their learning. We hope you will join us for this fun event!
