News:

- FIRST GRADE FIELD TRIP REMINDERS –
 - The First Grade will be going to a sold out play at UIS on Friday. Here are a few reminders to help your child have to best possible experience. They need to wear tennis shoes and dress according to the weather. At this time, they are calling for sunny weather with a high temp of 38*. Each student will need to bring a “brown bag” lunch. After lunch, they will be moving to the Kidzeum in Springfield. They will return to the school for afternoon busses/pick up. If you have any questions, please contact your child’s teacher directly.
- STILL ROLLING ALONG! –
 - Special thanks to the company Skate Time which supplies our roller skates each year. Because we have experienced snow days during our roller skating section of Physical Education, the company has very graciously allowed us to keep the skates for an extra two days! The students are really enjoying them. It has motivated the students to be very active on these gray winter days. In addition, it helps the students with balance, eye to body coordination, mentally measuring of distance and navigation. It produces laughter, helping one another and hopefully, stronger skills at friendship building.
