Week of September 23-27

MATH

Chapter 1: Apply Addition and Subtraction Concepts.

I will be sending addition flashcards home for nightly practice. Please review with your child for 10 minutes a night.

SEPTEMBER BIRTHDAYS

Katelyn 9/26

If you would like to send birthday treats, they have to be on the approved snack list.

AGENDAS

Please make sure to check agendas nightly. This is where your child writes down any homework for the night. It is also a good tool for us to use for communication. Please initial the agenda each night so I'm sure you've seen it.

READING/LANGUAGE

Anchor Text: My Family (non-fiction)

Paired Selection: Family (poetry)

Reading Homework: Students can take home a book from our classroom daily and take an AR test on it the next morning. If your child reads a book from your home library, write the title in his/her agenda so he/she can take it the following day.
