

## Classroom Expectations

- **Respect yourself, others, and school property.**
- **Be prepared for class.** You will not be allowed to return to your locker once class begins. You must bring the following materials with you to class every day:
  - ✓ Math course workbook
  - ✓ Binder
  - ✓ Folder
  - ✓ Math notebook
  - ✓ Pencils (2 sharpened)
  - ✓ AR Book
  - ✓ Agenda
- **Be on time for class.** You must be in your assigned seat when the bell rings. If you are not in your assigned seat, you will be considered tardy. Students will be allowed 3 tardies per quarter. The fourth tardy will result in a detention.
- **There will be no gum chewing or eating candy in class.**
- **Keep all hands, feet, objects, unkind words and noises to yourself.**

## Consequences

- Verbal warning
- After school detention
- Office Referral

## Homework

Homework completion is a requirement to ensure your success in Math. The only way students can master math concepts is to practice; therefore students should expect homework. Some class time will almost always be given daily in class in order to get a start on the assignment. All homework assignments are to be handed in on time.

## Grading Scale

100-90	A
89-80	B
79-70	C
69-60	D
59-below	F

Planning Period

12:56-1:56

## Classroom Procedures

### Starting Class

- Class begins when you enter the room.
- Quietly enter the room, go immediately to your assigned seat, and place all items on the desk or in the desk basket. Do not leave books and supplies on the floor.
- Sharpen your pencil before the bell rings.
- Begin filling out your agenda for the week. When finished, start bell ringer seat work.
- You will be expected to be in your seat working prior to the bell ringing. A tardy will be issued if you are not.

### Ending Class

- Do not start packing up your materials in anticipation of the end of class bell.
- I will dismiss you, not the bell. A student who shuts down early and packs up will be held until the last student leaves the room.
- Clean up your working area and exit the room quietly after you have been dismissed.

### Throwing Away Trash

- Throw all trash away as you exit the room. Do not get up from your seat to dispose of trash during class.

## Completing Daily Work

- Include your first and last name, class period, and the date on each assignment (in that order).
- All work should be completed neatly.
- Late work will be graded based on the NMMS policy in your student handbook. If you miss a day of school, you are responsible for finding out what you have missed, getting the work located on the assignment board and in the absent folder on the back bulletin board, and completing the assignment in a timely manner. If you are absent on a test day, you are expected to take the test when you return to school. All late work will be penalized 50%.

## Taking Tests

- Your eyes should be on your own paper.
- When you finish a test, turn your test in to the turn in tray.
- Begin assigned work immediately. No talking.

## Turning in Assignments

- Place assignments in the appropriate trays on the table by the door. Trays are labeled according to class period.

## Finishing Work Early

- If you finish work early, you will be able to turn it in to the assignment tray.
- Read your AR book if you finish your work early and have class time left.

## Book Check out

You are able to check out one book from my classroom at a time. Please handle the books with care. A \$5 fine will be charged for lost or damaged books.
