Turkey

Monday morning we were fortunate enough to see a real Tom Turkey! His name is Jerry and he lives with Miss Julie. I wish we could have seen him in the afternoon, but he had to go home before class started. We have turkey items in our science center, and we learned that when turkeys are happy, their heads are blue, and when they are upset or stressed, their heads are red. It is fun to learn about different animals!

Jerry the Turkey

Fall

We have been talking about the season of Fall! The students have really enjoyed looking at the leaves change colors and talking about the different things we notice about the season. We took a Fall Walk to check things out for ourselves, and collected some leaves and other items to create some Leaf Man art! We practiced counting to 10 and back again with leaves as well!

We have had fun playing in the leaves outside!

Veterans' Day

On Friday, November 10, we celebrated Veterans' Day. After talking a little about what a Veteran is, we made an American Flag out of construction paper. We talked about the shapes, colors, pattern, long/short stripes, how many red and white stripes and how many in total. After creating a flag as a class, some students decided to make their own in art.

In the Classroom

Quinn uses a book to help her draw a turkey.

Luca is trying out the color mixing glasses!

Holden created steps with unifix cubes by adding one more each time!

We Love Books!

Who Will Carve the Turkey This Thanksgiving?

There Was an Old Lady Who Swallowed a Pie

Leaf Man

Mark Your Calendar!

EVERY WEDNESDAY - 1:20 DISMISSAL

November 22-26: Thanksgiving Break

November 24: Book Order Due

December 21 - January 3: Winter Break

January 15: No School

I am still accepting family pictures if you haven't sent one to me. We have a display in our classroom. Please send either by Dojo or email, and I will print it out.
