

North Mac Community Unit School District #34
North Mac High School Conference Room
Policy Committee Meeting
September 30, 2019
6:30 p.m.

1. Call to Order
 - 1.1 Roll Call: Kirk, Spann, Watson, Worth – Present
Also Present: Dr. Goble
2. Public Comment - None
3. Review and Discussion of Policy 7.240 Student Code of Conduct - Discussion was held regarding a possible drug testing program and if our District needs such a policy. Would it be possible to even institute a program such as that in our community? Would our stakeholders buy such a program? It is the consensus of the Committee that a policy is unnecessary at this time and should such a time arise a policy is needed, a committee consisting of parents, students, community members, board members, administration, and faculty members would be convened to discuss a potential policy. For now the subject is tabled. It is the recommendation of the committee to table 7.240 AP2 until such time a policy is needed. At this time we do not have any inclination and/or intention of instituting a drug testing policy.
4. Review and Discussion of Policy 7.170 Vandalism – Discussion was held regarding vandalism. The committee wishes to include legal and investigative fees. This will be added and first reading will take place at the October Board Meeting.

Dr. Goble will call PRESS services about costs of mass updates of Policy so that they would maintain our Policies on our website.
5. Adjournment – Meeting Adjourned
