Trying to help our butterfly come out of the net.

We decided that if we turned the net sideways he might be able to fly out.....It worked!

Waving goodbye to Big Willie!

Making playdough with Mrs. Fox! We used our math skills to follow a recipe and measure! We stirred the playdough and rolled it back and forth until it was soft enough to play with!

Max sorted farm animals by color and then sorted them by type!

Kreed looking over the wish you well!
