# BLACK HISTORY MONTH:

- February is black history month. Black history month is a annual celebration of achievements by African Americans and a time for recognizing their role in U.S history. This month we will be learning about individuals who made an impact:
- Serena Williams has won a record of 23 grand slam tennis titles including six U.S Opens, seven Australia Opens, seven Wimbledon championships, and three French Opens. Tennis is a historically white sport, and Williams has changed that forever.

# REMINDERS

- There is only 4 weeks left of this current quarter ends and report cards are sent out. As well as a little over 3 months of school left. Please check your grades. Tutoring is still being offered on Wednesdays after school. Students who have failing grades for the semester may not be able to play fall sports next year.
