

North Mac CUSD #34

Elementary School Information

217/965-5424

Today is Thursday, March 4th, 2021

News:

- 1) Character Counts! (source: charactercounts.org)
 - a. The Six Pillars of Character – Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship. These are core ethical values – identified by a nonpartisan, secular group of youth development experts as the core ethical values that transcend cultural, religious and socioeconomic differences. These help instill a positive school climate and a culture of kindness, making schools a safe environment for students to learn. This week and next, we will look at each characteristic independently and what it takes to have strength in that pillar.
- 2) Read Across America’s “Dr. Seuss Reading Challenge” -- Tic-Tac-Toe Five In A Row is a fun opportunity for students to win prizes for their extra reading during the month of March. See your student’s teacher for more details.
- 3) There is a new email to send Doctor’s notes to the nurses at North Mac School District. From this point forward, please forward Doctor Office Documentation to nurse@northmacschools.org. Of course you may continue to send documentation to the schools via your child, however, please alert the students’ teacher that there is documentation in the back pack.
