News

REMINDER: End of the year **I-Ready testing** is coming! May 10-14. Please do your very best to make sure students are on time arriving to school, well rested and ready to go. Breakfast will be provided to insure our students have the best possible start to the day.

REMINDER: **Agriculture Field Day** – May 14th. This is a day when the High School students get to help teach the littles about all of the various aspects of farming, raising animals, soil care, clean water and many other aspects. The children always have a great time. Due to Covid restrictions, parents aren't allowed to attend this year with students, but we know there will be plenty of stories to take home. There are some safety rules that need to be mentioned. All students will need to wear full leg coverings that day. That can be in the form of long pants, leggings, or anything that give their legs some protection. No shorts that day. Also, it is very important to protect their feet. Closed toe/closed heel shoes are a must. That means sneakers, boots, dress shoes etc are great options. However, no sandals or flip flops, please. Your students' do not need to wear any special gear, but these two rules will help keep them safe while they enjoy some fresh air, some dirt, and some animals! Please contact the office at the number listed above if you have any questions.

REMINDER: Report Cards go home with students on May 25th.
