#### News:

- ✦ Welcome back to a new school year North Mac Elementary families! It has been a great first couple of weeks, and everyone seems to be settling in nicely. We are busy completing beginning of the year assessments for our students. This data will show us exactly what level your children are performing at in both reading and math. It will also let us know which students may need a little extra support after being off for so many months! If your child does need some extra support in reading and/or math, Mrs. Allen, our Title I teacher, will be in touch with you about the interventions we will be providing. Please e-mail or call your child's teacher or Mrs. Allen with any questions that you might have.
- ✦ From Mrs. Hampton – "Character Education classes will look a little different this year. I will have all K-2 classes on remote Wednesdays. The link will be on their teacher's Dojo page. I will rotate classes, so every week I will be teaching the lesson live to some classes but it will be recorded for others. The next week I will flip the classes so the classes that watched the recorded lesson will get the lesson live. The students that had a live lesson the week before, will now have the lesson recorded. Assignments, questions or comments may be sent to my email, brought to school or put as a post on Dojo. Please put not only your child's name but their teacher's name-this will be a tremendous help."
