## Happenings in our Classroom

We enjoyed celebrating Week of the Young Child. Each day had a different theme and we hope you enjoyed a few picture highlights on Dojo. We recently started learning about Spring-FINALLY! We charted signs of Spring. We enjoyed the story "My Spring Robin" and had a little robin visitor. Thank you to the High School for putting on a fun Ag day. We enjoyed observing animals such as chicks, ducks, calf, horse, goat and llama. We are learning about the Spring Weather-rainy, stormy, windy, sunny.

### Questions to ask:
