

The Elmer E Vance American Legion Auxiliary, along with North Mac Schools, will be hosting a Military Night at the football game against Gillespie on Friday, October 7th. As part of the event, we would like to honor all active military and veterans (living and deceased), from both the Gillespie and North Mac communities and surrounding areas.

Those who attend the game will be honored during half time and will receive free admission to the game. If you are unable to attend, but would still like to be recognized, and/or know someone who should be, please fill out the form below and submit the information. You can either send it by email to riffey4@royell.net or mail it to Melonee Riffey, 222 S Blair Street, Virden, IL 62690.

We will need all information returned by Monday, September 26th so that we can properly coordinate and ensure a smooth and honorable presentation such an event deserves.

We hope this will be a special night for military and veterans from both our and nearby communities, and an enjoyable football game.
