7. Discussion Items

- 7.1 Superintendent's Report – Hacke gave an update on the gym project. Hacke will be asking the board to vote on adding an additional parking lot later tonight. Parking lot funds would come from the contingency fund which is still in good standing.

HVAC – Looking into a system that monitors our HVAC systems to alert us of any issues with the system. This would help us potentially save money by catching issues early. Hacke indicated that we are waiting for a complete breakdown of cost and services from the company.

Board Reorganization – April's meeting will include board reorganization.

- 7.2 Wrestling Program Update – Hacke will be asking for you to add a Middle School Wrestling coach. This would allow us to add more matches for our Middle School students. At the High School, the old weight room will be turned into the new wrestling room. This will be a good use of that space.
